

# Malawi 2019/20

Dates: December 27, 2019—January 10, 2020 —Cost: \$3,000

## Ministry Partners: PB+J

Join us as we partner with 'PB+J' Ministries, founded and run by Stan Smith. Stan, a member of CHC for many years, started this ministry 10 years ago when he was in Malawi doing missionary work and three babies died in his arms - not because of Malaria or AIDS, but simply because they didn't have food! The Lord immediately stirred in Stan's heart, and that's how 'PB+J' started! Now the ministry makes a nutrient paste for babies in the villages and saves lives in the name of Jesus!

## Trip Details: Join us for this great trip to Malawi. We will...

- Walk the villages and share the Gospel
- Reach out to the surrounding people through sports ministry
- Share the story of Jesus through the showing of 'The Jesus Film'
- Minister through medical outreaches in the villages, finding 'at risk' babies
- Visit those that are sick in the Nkhoma Hospital
- Enjoy plenty of singing and dancing with kids at the Orphanage and in the villages
- Also includes a 2-night Safari
